

Emergency Spill Response

What Synatech can do for you:

- Bio-Hazardous Material Cleanup
- Debris Cleanup
- Water Damage Cleanup
- Fire and Smoke Damage Cleanup
- Pipe Ruptures and Leak Repairs
- Oil, Fuel and Chemical Spill Cleanup

How Synatech can do it for you:

- **Timely response:** Synatech can be reached 24 hours a day; 7 days a week at (877) 796-2832. You will be able to speak to one of our knowledgeable staff members to assess your problem. You will be apprised of the steps that will be taken to make sure your facility, your staff and your customers are safe.
- **Timely mobilization:** Synatech will be ready to dispatch experienced personnel to your facility for safe and quick remediation of the spill. Our employees have been trained through IICRC (Institute of Inspection Cleaning and Restoration Certification).
- **Timely re-occupancy:** Synatech will make sure it will be “business as usual” as quickly as possible for your facility, your staff and your customers.
